SCOTLAND'S RAILWAY

Welcome to your new train timetable

We're fully committed to providing a safe, clean and reliable train service for all our customers.

And as well as ensuring our customer's needs are met, we're also working hard to make rail travel more environmentally friendly. Currently, 75 per cent of passengers travel on electric or zero emission trains, and we're always looking for ways to reduce our carbon footprint further with the goal of having a carbon-free railway in Scotland by 2035.

Before you travel, you must hold a valid ticket. We've made it easier and safer to buy tickets with the introduction of mTickets, which are stored in your phone. Simply download the ScotRail App, buy your ticket then scan your phone at the ticket barriers.

We look forward to welcoming you on board.

ScotRail works with partners and other transport providers to make your door to door journey as simple as possible. Here are some of the products and services we offer:

PlusBus

PlusBus is an add-on to your train ticket giving unlimited bus travel on most bus services around the whole urban area of your origin or destination.

Rail & Sail

ScotRail works with Scotland's ferry operators to provide combined Rail & Sail tickets.

RailBus

We have an additional range of RailBus tickets which provide onward travel by bus, connecting you to specific towns beyond the rail network.

Cycles

We carry cycles, subject to certain size and type restrictions, free on our trains. Please check our website in advance to confirm that your cycle can be carried and also to see if reservations apply on your chosen journey. Reservations are required on some longer distance routes and can be made online at www.scotrail.co.uk, by calling 0344 811 0141, or at many ticket offices. Find out more, including routes where a cycle reservation is required, at www.scotrail.co.uk/cycling

Help us to make your journey as safe as possible

Ensure that you give yourself enough time to catch your train and never try to board or leave a train while the doors are closing or the train is starting to move – please note that train doors close 30 seconds prior to departure time.

If the door warning is sounding, it is too late to board or alight the train. Remember to mind the gap when boarding and alighting. Please take the time to read the safety notices on-train and keep your luggage with you at all times.

Please note that trains may divide en route – check with staff that you are in the correct portion of the train.

Alcohol

We want everyone who travels with us to be able to do so in a safe and friendly environment. Alcohol will not be allowed in our stations and on our trains, and people showing specific signs of intoxication will not be permitted to travel. The British Transport Police (BTP) support this decision.

Smoking, vaping or using e-cigarettes

These are all prohibited within any of our trains or stations, including all toilet and platform areas.

Delay Repay

You may be entitled to compensation if your journey has been delayed for 30 minutes or more. Please visit www.scotrail.co.uk/delay-repay for more information.

Terms and Conditions

ScotRail reserve the right to alter the information contained within this timetable without notice. Every effort is made to ensure details are correct at time of print, but ScotRail accept no liability for any inaccuracies.
